Q1) Read and answer:

Lesson 8
CULTURE

Log cabins

Logs come from trees. People use logs for many things.

People make houses called log cabins. There are log cabins in the mountains and forests in the USA. There are log cabins in some parts of Jordan, too. This log cabin is in Ailun.

There are kitchens, living rooms and bedrooms in log cabins. Look at this living room. There's a big window and a fireplace in it.

Helping wild animals

There's a lot of wildlife in Jordan, especially in the desert and mountains. For example, this is the Sinai rosefinch, the national bird of Jordan.

Some wild animals in Jordan don't come from Jordan and they can't survive in the desert. They include lions and tigers. Look at these wild animals. They live in rescue centres in Jordan.
