READING

(10 Marks)

**Q1: Read the text and answer the following questions:**

Abbas was on a camping trip with his older sisters, Hala and Laila. They put up their tent in a campsite near a small wood. The next morning, they woke up early to watch the sunrise. After they had eaten their breakfast, they looked in their guidebook. 'I think there's a bay on the other side of that valley. Shall we walk there?' 'Yes! Let's be old-fashioned explorers on an adventure!' said Hala. 'Good idea! We'll turn off our phones and use the map in the guidebook,' said Abbas. 'I brought Grandad's old compass with me!' said Laila. 'We can use it so that we don't get lost.'

After they had packed some food and ice-cold water, they started walking. 'We need to go north and then east, so it's this way,' said Laila, looking at the compass. After they had crossed the valley, they climbed up the hill on the other side. The scenery all around was beautiful. They started to walk down to the beach, but they hadn't got very far before Abbas stopped. He'd heard a man who was shouting for help. The man had fallen down the cliff! 'Help me!' the man cried. 'I've hurt my foot and I can't climb back up.' 'Don't worry,' shouted Hala, turning on her phone. 'We'll call for help.'
